The diagram illustrates the internal layout of a 40' High Cube container. It shows a top-down view of the container's interior, which is divided into two main sections by a central vertical aisle. On each side of the aisle, there are two rows of cargo units. The top row consists of two large rectangular units, while the bottom row consists of four smaller rectangular units. The dimensions are indicated by arrows and text: the overall length is 40'0", the overall width is 8'6", and the height is 8'6". The diagram also shows the location of the doors, which are located at the front and rear of the container. The text '40'正装高柜尺寸' is written below the diagram.
