

A horizontal line segment extending from the left edge of the page towards the right, ending in a small black circular dot.

10

The image displays three vertical color swatches side-by-side. The first swatch on the left is a solid, muted taupe or greyish-beige color. The second swatch in the center is a lighter, cream-colored beige. The third swatch on the right features a subtle vertical striped pattern in shades of grey and beige.

E808 80

The diagram illustrates the internal dimensions of a 20' shipping container. It shows two rows of shelving units. The top row consists of two shelves, each labeled '饰面板' (Decorative Panel) at the top and '托盘' (Pallet) at the bottom. The bottom row also consists of two shelves, each labeled '饰面板' (Decorative Panel) at the top and '托盘' (Pallet) at the bottom. Horizontal dimensions include a central aisle of 2800 mm, a distance of 250 mm between the outer edges of the shelves, and a total width of 900 mm. Vertical dimensions include a height of 900 mm from the floor to the top of the shelves.
